

LE PAS SAINT MARTIN

*Vigneron de Loire*

METHODE ANCESTRALE

*"La Vie en Rose"*

« The « méthode ancestrale » is a very old technic for producing sparkling wine, it is specifically used for aromatic grape varieties. This technic is radically different than the « méthode champenoise » wich enhances aromas because aged in bottle. » (Brunel 1992)

**Grape variety : 100% grolleau noir**

**Yield : 60 hl/ha**

**Vinification : Hand picked harvest**

**Slow crushing**

**Static clarification**

**Fermentation in a tank**

**Fermentation continues into the bottle**

**Disgorging process at 9 %vol**

**Alcohol content : 9 % vol**

**Organic wine, controlled by Ecocert**

**Le Pas Saint Martin**

**38, rue du Puy Notre Dame**

**49700 DOUE LA FONTAINE**

**0033(0)2 41 67 26 53**
